Saturday Evening Holy Spirit Services

Each Saturday evening we gather to celebrate the Lord through our *In His Presence Ministries* Holy Spirit Services. The presence of God is greatly evident as we worship together, and receive abundantly through prophetic and healing prayer ministry, and through teaching. We have been blessed by Amanda McBroom and her worship team leading us into the Throne Room. The anointed teachings provide God's message to us each week. Prophecy and healing prayer are an integral part

of every service. Salvation and ministry are an ongoing experience. We are excited about what God is doing each week!

All of our services are streamed. In addition to the live streaming, they are archived at the *In His Presence Ministries* website at

www.annott.org so the services can be accessed at your convenience.

Prior to each service our intercessors pray for the service as well as for a

number of global needs God lays on our hearts. We invite and encourage you to join this team whenever you are able. Taking part is a huge blessing for us all as we enter His presence corporately. This is a simple way to be a part of what He is doing through IHP.

Come Join Us!

Holy Spirit Service 6:00pm
Intercessory Prayer 5:00pm

What is In His Presence Ministries?

IHP is responding to the leadership of the Holy Spirit. We are modifying our direction as God leads and at His timing. We are responding to God's guidance and letting Him open the doors. This is an apostolic ministry that equips and sends workers into the harvest.

Women's Bible Study

The first women's IHP Bible Study was offered October, 2010 through January, 2011: *Walking In The Power Of Elijah*. These classes gave us the opportunity to grow in the Lord as we learned how to apply the lessons Elijah learned to our own lives. One

of the main goals of our Bible studies is to increase our Bible study skills, so that we can independently study the word at a deeper level. God ministered to us powerfully throughout the lessons.

The next Bible study series will begin in May. Be watching for upcoming information for the specifics in IHP Ministry emails or mail-outs.

What Can I Do To Support *In His Presence Ministries*?

- Pray regularly for IHP as God leads you.
- Become a Partner with IHP.
- Take part in the ministry activities that God lays on your heart.
- Volunteer to assist with tasks for the ministry.

Power Evangelism

On February 26, 2011 a class on Power Evangelism was offered at 4:30 PM at the Prayer Center, just prior to the Saturday evening service. The class will be repeated on April 9. We are using Rodney Howard Brown's model for our training, as we become

equipped to share the Good News with our community. This class is being offered to prepare us for everyday opportunities as well as the planned IHP outreaches in hospital waiting rooms, nursing homes, and other public places to win souls.

The class materials and role play practice will be available in both English and Spanish. Rev. Cathy Fernandez will be teaching this class in the upstairs prayer room.

Prophetic and Dream Interpretation Training

In His Presence Ministries offered Prophetic and Dream Interpretation Training from January 24 through March 7, on Monday evenings. Rev. Ann Ott, Rev. Elsa Bermudez, and

Rev. Deborah Stenz taught these anointed classes. Each class was filled with essential information and many opportunities to practice prophetic and dream interpretation skills. Most of all, the

presences of the Holy Spirit has blessed these meetings as we have been learning these essential skills! Each participant received a certificate of completion at the end of

the classes. Those who complete the classes will be invited to serve at outreaches and at our services, as well as on the dream interpretation team. Advanced Prophetic Training will start soon!

IHP Outreach: Treasure Hunts

Each month Rev. Deborah Stenz leads a prophetic evangelism outreach at Willowbrook Mall, or other community locations. Our team members have awesome God-encounters with

folks with whom it is the right moment to share God's love and direction. These outreaches are a time for practice on how to move with Holy Spirit out in the marketplace. Each time we have

gathered it has been unique and uplifting as we allow Holy spirit to lead and guide us to the "treasured ones" that He is desirous of loving all over through prophecy, prayer, blessing, healing prayer, etc.

Ministry Leadership Training-Ordination

In 2010 we conducted the first Ministry Leadership Training for In His Presence Ministries, resulting in the ordination of 21 new ministers on January 9, 2011. Many of our ministers participate with the prophetic and

healing prayer teams at our Saturday evening services. It is a joy to get to know each of the ministers, and watch the blessing they are to people each week as they minister at our outreaches and services.

We will be offering the next IHP Ministry Leadership Training this summer. This training involves a commitment to attend all of the training sessions, listening and reading support resources for

the class, participating in three required IHP outreaches, and participating in an interview at the conclusion of the training.

IHP Nursing Home Outreach

In October and November, we visited the *Cypresswood Health and Rehabilitation Center* three times. This is a receptive, caring facility for residents who need in-patient

care. Many participated in this stirring opportunity to minister and offer healing prayer. Rev. Cheryl Kuhn led and instructed our groups as we ministered to so

many of the residents. What a blessing it was to pray room-to-room, sometimes with Christian residents joining with us praying for their fellow residents.

IHP Prayer Requests

Ephesians 1:6

I have not stopped giving thanks for you, remembering you in my prayers. I keep asking that the God of our Lord Jesus Christ, the glorious father, may give you the spirit of wisdom and revelation, so that you may know him better. NIV

As God lays *In His Presences Ministries* on your heart, please pray for us in the following areas:

- For the Holy Spirit's presence to envelop every meeting, every training, every outreach
- For God's protection in every aspect of the ministry
- For clear vision and guidance, that every plan and activity occur from God's leading and His timing
- For financial provision, and needed space and resources to extend His work.

Prophetic Dance

We anticipate the beginning of prophetic dance classes this summer. This will be a series of classes in which we will equip all who are interested to worship in a fuller way, either during private time with the Lord or corporately. After the training, we welcome those who feel led to

participate on the worship team during services. There will be opportunity to dance individually or to participate in group dances at the services.

We plan to offer classes on Saturdays at 4:30 PM before the

evening service. If you are interested in taking the classes and/or being part of the team we have an information sheet we would like you to complete. You can email worshipparts@annott.org for more information, or you can visit with Rev. Karen Ladage or Rev. Mary Ann Woodhouse.

The Power of the Word

Are you struggling with a problem, emotion or perspective? There are so many ways we attempt to solve this. We each have methods we use, but we may wonder why we are still struggling.

The solution is the power of God's Word. [He washes our minds through the water of the Word \(Eph 5:26\)](#). The power of His Word as we speak it breaks off the problem, emotion or difficulty. It is the power of His Word that causes this to happen. In a moment we can have a clear perspective and peace. Praise God!

We simply sow the Word of God into our minds, by declaring Scripture aloud. His Word breaks off strongholds, because we are now in agreement with Him. We cut through the whole issue by feeding our minds and our spirits with the truth.

Using readily available sources of the Word, such as CD recordings of Scripture, or a reference booklet of verses, we can quickly fill our spirit and mind, In this way we can *guard our hearts and minds* (Prov. 4:23)
