

By Rev. Ann L. Ott

God is leading me to start presenting insight once a year into some of the things coming for the U.S., the church and the world during the next few years.

Some of these insights are things I feel God is speaking and some are based on the prophecies of the Bible.

Revival

This is a season when God is increasing the amount of His Spirit He is pouring out on mankind.

One of the manifestations of His Spirit that is visible in America and around the world is that we continue to see revivals breaking out in various areas. Revivals have broken out in Pensacola, Alabama, Missouri, Lakewood and Canada. These revivals are going to continue. I personally recognized an increase in God's presence in January, 2006 and have seen a yearly increase in this presence since that time.

I was given a vision April 23, 2010 of a cloud of the Holy Spirit moving over a map of the U.S. I believe this promises an upcoming revival in the U.S.

The churches who are searching for God's presence are likely aware of this outpouring.

The Bible prophesies the greatest harvest of people for the kingdom of God in the history of the world in the near future. I believe we are seeing the beginning of this harvest. It is prophesied that the number is so large it cannot even be counted. The Bible also says the Gospel of the Kingdom will go to the entire world before Jesus returns to the earth.

Shaking

By Rev. Ann L. Ott

We continue to see a shaking worldwide as prophesied in Hebrews 12.

Heb 12:25-29

25 See to it that you do not refuse Him who is speaking. For if those did not escape when they refused him who warned them on earth, much less will we escape who turn away from Him who warns from heaven. 26 And His voice shook the earth then, but now He has promised, saying, "YET ONCE MORE I WILL SHAKE NOT ONLY THE EARTH, BUT ALSO THE HEAVEN." 27 This expression, "Yet once more," denotes the removing of those things which can be shaken, as of created things, so that those things which cannot be shaken may remain. 28 Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe; 29 for our God is a consuming fire. NASU

We will continue to see the signs of the times which include earthquakes that Jesus prophesied in Matthew 24. We experienced an earthquake around San Antonio, Texas on Thursday, October 20, 2011.

Part of the shaking has to do with the world money and banking system. I believe the prophecy about coming "Out of Her (Mystery Babylon) My People" is a prophecy about the world government and a world banking system. We are going to continue to see the world monetary system shake.

It is really important that we, as followers of God, try to get out of debt. We should prepare our houses as though we were going to have a hurricane come into our area. We should stock up on food and set aside cash to be prepared for possible banking outages. The banking system is a "house of cards". There is not enough paper money currently printed to pay off the current debt in the world.

By Rev. Ann L. Ott

The current debt problems being encountered in Europe could cause banks in the U.S. to collapse.

Houston

I believe Houston is going to be known for the Presence of God. I saw a vision of the Holy Spirit floating over the city like a fog.

I also received a vision that Houston will be given another chance to help people who have been injured in a catastrophe. This will be like what Houston did after Hurricane Katrina. In this vision I saw people coming into Houston on stretchers and with their heads bandaged and their arms and legs in splints. This will be a great time of Houston being the hands of God helping people.

Changes to U.S.

A couple of years ago, I heard God say that “things will never be the same again.” I believe we can look back over the last couple of years, and see that this is true. We will continue to see great change in the world. It is critical that we rely on God and not trust in our own minds. This is critical!

God spoke to me last year when I was praying about the U.S. that “you have to crack egg shells to make scrambled eggs.” He told me that one person cannot make changes to fix the things in the U.S. but that people joined together can. I believe God is going to work with a group of Christians who want to return to constitutional government to bring about changes to our government.

I also believe that the State governments will continue to use the courts and the writing of new laws to strengthen the States’ rights and to limit the power of the Federal Government. Our nation was created based on covenants with God such as the Mayflower Compact. I believe God will help Christians to work to restore the nation to constitutional government.

By Rev. Ann L. Ott

Based on Bible Prophecy I believe that our nation will return to its roots and will again be a Christian nation. I believe persecution will continue to increase in the U.S. and around the earth. This is part of a great spiritual war that is on-going in the heavenlies.

I believe the U.S. will side with Israel and will help Israel in the future. This will cause some of the anger that Israel is going to receive to be also released upon the U.S.

Part of this restoration of the U.S. will cause the U.S. to step away from being part of the world government structure whether it is being in the U.N. or being part of the European Union and NATO. I believe this is part of the prophecy about cracking egg shells and making scrambled eggs. God is going to make something good out of the U.S.

I believe Europe will become more affiliated with Russia and less affiliated with the U.S.

Churches

I believe that God is judging the church right now because we have not been salt and light in our nation.

July 14, 2009 - Prayer - Received words "some Christian ministries will turn out the lights". I saw a vision of a picture of people worshipping God and the lights went out. God is taking His followers back to their first love. The Bible describes that God will remove the candlestick (leadership role) from those who won't follow Him.

God is calling church leadership to return to our first love and to hear His voice and obey Him.

By Rev. Ann L. Ott

I believe some churches will close and some pastors and ministry heads will lose their leadership role. The church needs to repent and turn back to God and return to believing the Bible.

Government Leadership

Our nation will be judged and has been judged based on what we are doing in regard to the Nation of Israel. God spoke a blessing over those who bless Israel and a curse on those who curse Israel. God showed me last year that President Obama has made some decisions regarding the Nation of Israel that has caused him to pass some line of no return. This could bring judgment against his administration. I believe his low approval ratings are tied to these actions. We saw the two President Bush's approval ratings drop when they made decisions that had a negative impact on Israel.

***May 19, 2011** -Prayer - I listened to the speech by President Obama today in which he was telling Israel to give up covenant lands back to the 1967 borders with some exceptions. I felt like God was saying that He has been reaching out to President Obama. God has been asking him to soften his heart and follow His leading. I felt like God was saying that President Obama had repeatedly hardened his heart against the things God was asking him to do. I felt that God was saying that President Obama had reached some point of no return and that now God was hardening President Obama's heart. God compared this to when He was dealing with Pharaoh to deliver Israel from Egypt.*

Pray for Israel and the leaders of the U.S.

Acts of War

The U.S. has been assassinating terrorists and even American citizens with drones and with military teams in foreign countries. I

By Rev. Ann L. Ott

am concerned when a committee can vote to assassinate a U.S. citizen. This committee is meeting behind closed doors with no accountability. This is done without due process of law. The Bible says that "He that lives by the sword dies by the sword." According to the Bible whatever you do to someone else will come back on your own head. I have been feeling great concern for some time that this could bring judgment on the U.S.

We need to pray for the leadership of our nation and for God's protection for our country.

Upcoming Wars

I believe the Middle East is shifting into a power structure that could lead to the Psalm 83 war. I believe it is also described in Isaiah 17 and Ezekiel 29.

We are seeing a shift in the pro-Western leadership of the nations that have been led by dictators to pro-Islamic governments.

The upcoming prophesied war could cause Israel to gain additional territory and land. This land would include parts of Northern Jordan, Syria, Lebanon, Gaza and the Negev desert (Egypt).

Ps 83:4-18

4 They have said, "Come, and let us wipe them out as a nation, That the name of Israel be remembered no more." 5 For they have conspired together with one mind; Against You they make a covenant: 6 The tents of Edom and the Ishmaelites, Moab and the Hagrites; 7 Gebal and Ammon and Amalek, Philistia with the inhabitants of Tyre; 8 Assyria also has joined with them; They have become a help to the children of Lot. Selah.

9 Deal with them as with Midian, As with Sisera and Jabin at the torrent of Kishon, 10 Who were destroyed at En-dor, Who became

*as dung for the ground. 11 Make their nobles like Oreb and Zeeb
And all their princes like Zebah and Zalmunna, 12 Who said, "Let us
possess for ourselves The pastures of God."*

*13 O my God, make them like the whirling dust, Like chaff before
the wind. 14 Like fire that burns the forest And like a flame that
sets the mountains on fire, 15 So pursue them with Your tempest
And terrify them with Your storm. 16 Fill their faces with dishonor,
That they may seek Your name, O Lord. 17 Let them be ashamed
and dismayed forever, And let them be humiliated and perish, 18
That they may know that You alone, whose name is the Lord, Are
the Most High over all the earth. NASU*

I believe Scriptures point to upcoming nuclear bomb detonations. The Bible describes the effects of these types of weapons. I believe Israel would have to resort to nuclear devices if it were attacked by multiple countries at one time. It has been publicly stated by Israel's leadership that they would probably do a preemptive strike if attacked by multiple countries at once.

What to Do?

What should we be doing as the followers of God?

The first thing we should do is pray. I believe the Holy Spirit will guide the church to know ahead of time what is coming and how to prepare. God said He never does anything without telling His prophets about it.

God is saying we are the Gates of Heaven. It is our role to reveal the Kingdom of Heaven on the earth. Christ in us the hope of glory. We are to be the light of the world.

As the world continues to shake, we are going to have great opportunities to help people, lead people to Jesus and be the

By Rev. Ann L. Ott

difference in a dark world. The darker it gets in the world, the more the followers of Jesus will shine forth.

Our protection and deliverance comes from God and not from the government. We need to live with this understanding. We need to walk in faith that God can and will deliver us.

As the children of Israel living in the land of Goshen were protected from the plagues on Pharaoh, so we will be protected. As the children of Israel received provision in the wilderness, God will provide for us.

We should prepare now for the time of shaking so that when it comes we can help others.
