Kenya Mission Trip Report

Dear Friends and Family,

I recently returned from Kenya, Africa where Cathy Fernandez and I preached, taught and ministered on February 15-26, 2009. It was an awesome time of experiencing the power of God and seeing God's faithfulness.

Cathy and I were invited by Pastor Steven and Grace Sitoko with The New Hope Christian Centre. We traveled from the U.S. through Nairobi to Webuye where we stayed and ministered. We ministered in several rural areas around Webuye. Kenya is a mountainous country with a wonderful climate with low humidity. There were many tourists there. The weather was very cool at night or if it rained.

Crusades & Leadership Training

We did crusades every evening from Tuesday, the 17th through Saturday, the 21st. Wednesday through Saturday mornings we did leadership training for pastors and leaders from multiple churches in the rural area around Webuye.

God supernaturally intervened in all the services. God would tell us a few hours before we spoke the subject He wanted us to minister. Several times God intervened and wrote messages as I spoke. Saturday evening I ministered on the subject of angels at God's request and we were graced by a strong presence of God. It was a wondrous time of experiencing His glory and presence.

We saw many salvations and healings in the crusades. One evening we had as many as fifty who said they were called by God and dedicated their lives to Christian ministry.

Cathy and I were able to minister to the pastors and leaders. It was a powerful time as God ministered into the lives of His children. We were even able to have question and answer times. We ministered prophetically to people during the Saturday leadership training. The people were blessed as God gave us a word of encouragement and destiny for some of those attending.

We had many invitations to return to Kenya!

Church Outreaches

On Sunday, Cathy and I ministered at The New Hope Christian Centre, a church of about three hundred people. A large number of the church was children and Cathy ministered to the children and spoke to the adults. Cathy encouraged the children to minister to the adults in the church. I ministered on Accessing God's Creative Power.

During the last two evenings (23rd & 24th) before our return to the U.S., we ministered in a small rural church. Pastors and leaders from the surrounding area joined the meeting. God surprised me by writing a
